

the golden age of
pornography

andy falconer projects

Download all files.
Extract the contents of the folder
The Golden Age of Pornography.zip
all together into a folder

After downloading all files please extract the contents
of the format folder of your choice
mp3.zip or Wave.zip all together into a folder

Burning a CD using the provided mp3 or Wave files.

If you have Windows Media Player or burning software
such as Nero already installed on your computer.
Simply insert a blank CDROM into your computers
drive and depending on your program either select
or drag the files into the Burn window and select the
appropriate option “Burn” or “Write”.

IMPORTANT!

For optimal listening results...

PLEASE **SELECT THE OPTION**
“Burn CD without gaps”.

PLEASE **DO NOT** SELECT THE OPTION
“Apply volume leveling across tracks”

Hey presto, within a couple of minutes you
will have the complete album as an audio CD.

Select Page Range for printing
